Join us to take action at this moment of truth, just weeks before the fall elections.

Now is the moment of truth for taking action for peace, economic equality, racial justice and environmental healing – and for recommitting to the power of truth itself. Many false or misleading statements have been made by the administration. On September 22, we will take action for a culture of nonviolence — and for a new spirit of truth. To register, go to: themomentoftruth.us.

The convergence is part of Pace e Bene’s Campaign Nonviolence Action Week, September 15-23, with more than 2,000 public actions in all 50 U.S. states and beyond for a culture of nonviolence free from war, poverty, racism and environmental destruction.

#MomentOfTruth

“The choice is no longer violence or nonviolence; it’s nonviolence or non-existence.”
Dr. Martin Luther King, Jr
